Finally, I’d like to wish all dads and granddads a Happy Father’s Day!

PAST EVENTS

Our trip to Sugar House and Dover Downs Casino was a success! The accommodations were excellent and the buffet was something to talk about! No big winners but good company and a great time was had by all who went. We will definitely return in the future!

May 16th was our Annual Senior Luncheon at Villa Lombardi. This year we honor our 2019 Senior of the Year Ms. Linda Marshall! This event kicks off our warm weather activities every year and we always enjoy seeing all the seniors from across Suffolk County. Always a good time!

On May 10th we had a mini Pre-Mother’s Day celebration for all of our Moms at the North Amityville Senior Center. DJ Mike played our favorite tunes and we presented our Senior Moms with carnations to show our appreciation. Happy Mother’s Day to you all!

Greetings Seniors!

June 16th is Father’s Day!

What is a Dad?
God took the strength of a mountain
The majesty of a tree
The warmth of a summer sun
The calm of a quiet sea
The generous soul of nature
The comforting arm of night
The wisdom of the ages
The power of the eagles fight
The joy of a morning in spring
The faith of a mustard seed
The patience of eternity
The depth of a family need

Then God combines these qualities
And then there was nothing more to add
He knew his masterpiece was complete
And so he called it Dad!

Happy Father’s Day to all the Dads!

Love ya, Tanya

THIS TRIP WILL FILL UP FAST
VENETIAN SHORES

By Joan Wormell

The lure of the bay
On a lovely summer day
To be down by the shore
Who could ask for anything more.
It’s called Venetian Shores
A Town of Babylon beach
The best part of all
It is easily within reach.
A smile costs nothing, but gives much. It enriches those who receive, without making poorer those who give. It takes but a moment, but the memory of it sometimes lasts forever. None is so rich or mighty that he can get along without it, and none is so poor but that he can be made rich by it. A smile creates happiness in the home, fosters good will in business, and is the countersign of friendship. It brings rest to the weary, cheer to the discouraged, sunshine to the sad, and it is nature’s best antidote for trouble. Yet it cannot be bought, begged, borrowed or stolen, for it is something that is of no value to anyone until it is given away. Some people are too tired to give you a smile. Give them one of yours, as none needs a smile so much as he who has no more to give...

ELDER
The Live Oak Definition by Barry Barkan, 1976

An elder is a person who is still growing, still a learner, still with potential and whose life continues to have with it promise for and connection to the future.

An elder is still in pursuit of happiness, joy and pleasure, and her or his birthright to these remains intact.

Moreover, an elder is a person who deserves respect and honor and whose work it is to synthesize wisdom from long life experience and formulate this into a legacy for future generations.
Greetings from Our Director, Carolyn Epifane!

Happy June, Everyone!

The month of May at Spangle Drive was filled with lots of love and laughter as we celebrated all of the wonderful women who are fortunate to be called, “Mom.” I hope that every mother out there had a beautiful Mother’s Day surrounded by loved ones.

This month, I would like to wish all of our fathers a very Happy Father’s Day! Any man can be a father but it takes a special man to be called, “Dad.” Here’s to each and every one of you!

A special thank you to Kerry Riordan, Director at Tanner Park, the Tanner Park Senior Committee and the Tanner Park Staff for inviting us to Friendship Day. Everyone at Spangle Drive had a wonderful time chatting, dancing and being in each other’s company.

Please be on the lookout in our monthly calendar for the fun-filled events that will take place at Spangle Drive in June!

Enjoy the beginning of the summer season and have a beautiful month!

Your Friend at Spangle Drive,
Carolyn

Get a Free Memory Screening!

Wednesday, June 11th
10:00 AM - 1:00 PM
Wyandanch Senior Nutrition Center
28 Wyandanch Avenue
Wyandanch, NY 11798

What is a memory screening?
• A simple, safe and quick evaluation that checks memory and other thinking skills.
• Takes approximately 10 minutes.
• It is not a diagnosis, but can indicate whether additional follow-up with a physician is needed.

Why should I be screened?
Vitamin deficiencies, thyroid problems, stress and lack of sleep can cause memory problems. Other memory problems might result from causes that are not currently reversible, such as Alzheimer’s disease. The earlier the diagnosis, the easier it is to treat or slow down the condition causing the memory problems.

Free and open to all!

Contact AFA to learn more about memory screenings by visiting www.alzfdn.org or calling 866-282-8484.

Contact the Town of Babylon to learn more about this program by calling 631-957-4292.

Note: A memory screening is not used to diagnose any particular illness and does not replace consultation with a qualified physician or other healthcare professional.

FLAG DAY IS JUNE 14TH- It commemorates the adoption of the flag of the United States on June 14, 1777.

HAPPY FATHER’S DAY
The nation’s first Father’s Day was celebrated on June 19, 1910, in the state of Washington. However, it was not until 1972–58 years after President Woodrow Wilson made Mother’s Day official—that the day honoring fathers became a nationwide holiday in the United States. Father’s Day 2019 occurs on Sunday, June 16.

In other countries—especially in Europe and Latin America—fathers are honored on St. Joseph’s Day, a traditional Catholic holiday that falls on March 19.

During the 1920s and 1930s, a movement arose to scrap Mother’s Day and Father’s Day altogether in favor of a single holiday, Parents’ Day. Every year on Mother’s Day, pro-Parents’ Day groups rallied in New York City’s Central Park—a public reminder, said Parents’ Day activist and radio performer Robert Spere, “that both parents should be loved and respected together.”

Paradoxically, however, the Great Depression derailed this effort to combine and de-commercialize the holidays. Struggling retailers and advertisers redoubled their efforts to make Father’s Day a “second Christmas” for men, promoting goods such as neckties, hats, socks, pipes and tobacco, golf clubs and other sporting goods, and greeting cards.

When World War II began, advertisers began to argue that celebrating Father’s Day was a way to honor American troops and support the war effort. By the end of the war, Father’s Day may not have been a federal holiday, but it was a national institution.

In 1972, in the middle of a hard-fought presidential re-election campaign, Richard Nixon signed a proclamation making Father’s Day a federal holiday at last. Today, economists estimate that Americans spend more than $1 billion each year on Father’s Day gifts. history.com

Goal of Men’s Health Month

The purpose of Men's Health Month is to heighten the awareness of preventable health problems and encourage early detection and treatment of disease among men and boys.

This month gives health care providers, public policy makers, the media, and individuals an opportunity to encourage men and boys to seek regular medical advice and early treatment for disease and injury. The response has been overwhelming with thousands of awareness activities in the USA and around the globe. How can you help spread the word? Plan an event to raise awareness, coordinate a health fair, organize a sporting event, take your family members to their doctor’s appointments. Whatever works for you and your loved ones, just do it!

To find local events or get ideas on how to organize your own, log onto www.menshealthmonth.org.

Corie, the young bride, sees their tiny new apartment as cozy & romantic. Paul, the groom, only sees five flights of stairs, a gaping hole in the skylight & heat that doesn’t work. Does My Body Need Fat?

Yes, it does. Dietary fats are essential to give your body energy and to support cell growth. Fats also help protect your organs and help keep your body warm. Fats help your body absorb some nutrients and produce important hormones, too.

**Unsaturated Fats** are considered beneficial fats because they can improve blood cholesterol levels, ease inflammation, stabilize heart rhythms, and play a number of other beneficial roles. They tend to be liquid at room temperature.

Unsaturated fats are mainly found in foods from plants, such as vegetable oils, nuts, and seeds. These oils contain unsaturated fatty acid called monounsaturated and polyunsaturated fat. Found in olive, canola and peanut, sunflower, corn, soybean, and flaxseed oils. Also, in fish, avocados, and pumpkin, sesame and flax seeds.

**Saturated Fats** are usually solid at room temperature. According to the American Heart Association (AHA), eating foods that contain saturated fats will raise the level of cholesterol in your blood. High levels of LDL cholesterol in your blood increase your risk of heart disease and stroke.

Saturated fats are mostly found in fat inside or around meat and dairy products. They are often found in animal products such as poultry with skin, pork, fatty beef, beef fat, butter, lard and cream, cheese and other dairy products made from whole milk and 2%. Leaner animal products, such as chicken breast or pork lion, often have less saturated fat. Some plant-based oils, such as palm oil, palm kernel oil and coconut oil, also contain primarily saturated fats, but do not contain cholesterol. Fried foods and baked goods can contain high levels of saturated fats, such as French fries, pizza and cookies.

**Suggestions for fat intake:**

Choose to include healthy fats but balance the amount you eat from all foods.

Use oil-based spreads on foods instead of butter, stick margarine, or cream cheese.

Drink fat-free (skim) or low-fat (1%) milk instead of whole or 2%.

Buy lean cuts of meat instead of fatty meats or choose meat less often.

Add low-fat cheese to homemade pizza, pasta, and mixed dishes. In recipes, use low-fat plain yogurt instead of sour cream.

Dear Seniors,

Hello and welcome to June! The summer is about to begin. Happy birthday to my awesome June celebrants and may you have a wonderful healthy birthday this month. I wish you happiness and peace of mind always. Happy Father’s Day to all the fathers, step fathers, grandpa’s, uncles, nephews and all those who mentor, this a day of joy. You deserve the honor and much respect. Thank you!

I read an article in a magazine called Career Track that talks about how to communicate with tact and professionalism, and learn how to avoid misleading verbal and visual cues. The article made a few points that I would like to share with all of you. It gives instructions on how practice makes perfect. The article asks if you ever wish you could tailor your message to achieve complete buy-in on your ideas and proposals, and win arguments without losing friends? Know how to maintain your composure and control even when someone is right in your face. Learn how to decode body language to understand what people are really saying. Learn how to improve your nonverbal skill and deliver razor sharp instructions to get things done. This training will show you how to control an emotional outburst. It’s all in the technique. Nothing says more about your character than “grace under pressure.” The article shows the effectiveness of how to coach, practice and critique to become or emerge a far more powerful communicator.

The message will become clear to all of you if you connect and stay focused on being an exceptional listener. The message should be clear and concise in order to boost your power of persuasion. Just a little something I thought would be helpful to all of us. In other words, once you frame your message in a positive manner, the infectious synergy of positive thinking will unmask itself. Communication! It’s a massive tool in which we must discover new ways to improve our interpersonal skills.

Come out and enjoy the 45th Annual North Amityville Community Parade and Festival Day on June 1, 2019 when we will celebrate our Grand Marshals, The Native Americans of Long Island!

The beauty that rests in me is indescribable and incomparable. In fact, it is out of this world. “That’s good”!!! Maxine L. Thomas

Footprints

"Walk a little slower daddy," said a child so small.
"I'm following in your footsteps
and I don't want to fall.
Sometimes your steps are very fast,
Sometimes they're hard to see;
So walk a little slower, Daddy,
For you are leading me.
Someday when I'm all grown up,
You're what I want to be;
Then I will have a little child
Who'll want to follow me.
And I would want to lead just right,
And know that I was true;
So, walk a little slower, Daddy,
For I must follow you."
