*A MESSAGE FROM BABYLON TOWN SUPERVISOR  
RICH SCHAFFER*

Dear Resident:

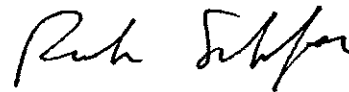

You may be entitled to a Real Property Tax Exemption.

This booklet, prepared by the Department of Assessment, is a basic look at the most popular Real Property Tax Exemptions available to homeowners. The booklet is free and is designed to illustrate the requirements for each exemption. At the end of this booklet you will find a graph that shows exactly where your property tax dollars go.

If you have any specific questions, please call, write or e-mail the Town of Babylon Department of Assessment.

Thank you.

Very truly yours,

## INTRODUCTION

This booklet is designed to make homeowners in the Town of Babylon aware of several Real Property Tax Exemptions currently available.

These exemptions are pursuant to New York State Real Property Tax Law and administered by the Town of Babylon Department of Assessment.

The following exemption information is very basic, indicating only the minimum qualifications. You must refer to the exemption application instructions for specific requirements.

Remember the last day to file for any of these exemptions is March 1, 2024. All late applications, unfortunately, will be denied.

Please contact the Department of Assessment at 631-957-3014 or [assessor@townofbabylon.com](mailto:assessor@townofbabylon.com) if you have any specific questions or comments.

Thankyou,

John Ripple  
Assessor

## **NEW STAR CREDIT PROGRAM**

As a result of legislative changes, the school tax relief (STAR) program is being restructured. Any homeowner who is applying for the first time on your property, meaning you have **never** had a STAR exemption on your property before or you are a new homeowner of a property, is required to register directly with New York State at (518) 457-2036 or [www.tax.ny.gov](http://www.tax.ny.gov). New STAR applicants will receive a credit in the form of a check from New York State instead of receiving a property tax exemption on your tax bill. You are no longer required to file your application with the Assessor's Office.

### **STAR Eligibility Requirements:**

To receive the STAR Credit, you must own your home and it must be your primary residence.

### **BASIC STAR:**

The total income of the owners and the owner's spouses who primarily reside at the property must not exceed \$500,000.

### **ENHANCED STAR:**

The income limit is annually adjusted for inflation:

2024 Income Limit - \$98,700 (based on 2022 adj. gross income)

All owners must be at least 65 years old (unless the owners are spouses or siblings) in which case only one owner must be at least 65 years of age by December 31, 2024.

All applicants are required to apply for the income verification program, permitting New York State to verify that the income requirement has been met.
